Whereas, it has pleased Good to visit our Fraternity with terescenert, by removing our brother JACOB HENRY WICk, from the scenes in which we have learned to appreciate his worth as a man and his nearness as a brother; heofred, That we here unitedly express our grief at the lost of a friend so endeared to us by every virtue; and our gives of the solemnity of this renewed warning, that even you he fight hopes and a virtuous life, are insufficient to arrest the apprach of death.

Resired That in view of this bereavement we should more vively realize the uncertainty of life, and press forward with more seriousness and earnestness in the path of car delly duties, and of preparation for the life eternial. **Resired** That we mingle our sympathies with those friends of ear dul arted brother on whom the stroke has most heavily fallen, and that we invoke for them those consolations with which the heavenly Comforter alone can lighten the severity of the affictive dispensation.

Resired That as a tribute of respect to his memory, the members of the Delta Chapter of the Psi Upsilon Fraternity shrond their badges in mourning for the usual period of thirty days.
